## *Elder Development Update*

---

The Elder Board is pleased to announce that Adam Pillage has completed the first 4 of 7 steps towards becoming an elder at GraceLife Church.

The Elder Board now presents Adam Pillage to you, the congregation, for the purpose of evaluating, speaking to, and getting to know him. We encourage you to seriously undertake steps to affirm his qualifications, giftedness, and calling to the ministry. Ask him questions, clarify any potential issues you might have and identify any challenges with respect to him potentially serving in leadership at GraceLife Church. Should any unresolved concerns remain, we encourage you to raise these with the elders.

This announcement will be repeated for the next two Sundays as a reminder that we are seeking your help and support in this process. Please pray for Adam, Naphtali, and the family as they seek to follow our Lord's will for their lives.

As a reminder, should there be no outstanding issues or concerns raised, the next step (#6) will be to start training and development. This will occur over a period of time after which the Elder Board will announce the transition into a more formal season of "testing" and leadership engagement.

Please feel free to contact any of the elders if you have any questions, comments or concerns regarding the development of future (lay) elders in GraceLife Church.

Again, please join together with us in celebrating our Lord's goodness and grace towards GraceLife Church in bringing Adam to us as a brother in Christ and as possibly a future overseer of this local body of believers!

Paul Claassen – Chairman (on behalf of the Elder Board)
